

Pearson Surrey Finals Day Report 2026

Tuesday 16th June 2026 at Camberley Heath Golf Club

The culmination of a close and hard-fought Pearson season saw the four semi-finalists, Dulwich and Sydenham Hill, Worplesdon, Foxhills and West Byfleet at Camberley Heath Golf Club early on the morning of the 16th June. A gloriously warm day with a gentle breeze, not as hot as last year, the teams ready for a potential 36-hole contest. As is usual after an early breakfast the semi-finals commenced at 8am with the co-lady captains from Camberley Heath acting as our starter in the morning. Dulwich and Sydenham Hill played Worplesdon followed by Foxhills against West Byfleet and so on until the ten matches had all teed off.

Camberley Heath provided a suitably challenging course fit for the occasion and both semi-finals were closely fought with Worplesdon and Foxhills coming out victorious.

A delicious buffet lunch was followed by the presentation of the Pearson rose bowls to the semi-final runners up – Dulwich and Sydenham Hill and West Byfleet to mark their achievement. Congratulations to both clubs on reaching this stage.

At 1.30pm Worplesdon and Foxhills our Surrey Cup finalists returned to the course. Katrina Davis, Surrey Women's Captain started proceedings. The final was a battle albeit in idyllic conditions! Foxhills won match 1 but Worplesdon came back strongly winning matches 2 and 3. Worplesdon then clinched the Surrey Cup by winning the fourth match and will go on to represent the County in the Inter-County Pearson finals at Sundridge Park Golf Club on 15th July.

Our congratulations to all the finalists on their tremendous achievement. All the matches were played in a friendly but competitive manner which at the end of the day is what it is all about!

Particular thanks must go to Camberley Heath Golf Club for allowing the Surrey Cup to be held at their course. The office staff were extremely helpful, the course was in excellent condition and the catering team did an excellent job. Thank you for a memorable day.

An event such as this relies on the support of a team of volunteers coming together and my thanks go to the team of three Surrey referees led by Mark Flack who followed all the matches and gave advice when requested; Lesley Parker, the incoming Surrey Pearson manager; Katrina Davis our Surrey Women's Captain, Ann Waite vice-captain and Ann McMahon Surrey secretary for their support and the wonderful club members from Camberley Heath who ball spotted on the course.

GOOD LUCK to Worplesdon in the Inter-County Finals on the 15th July at Sundridge Park!
